Education

Yale University

Bachelor of Science in Computer Science

Sep 2026 – May 2030

New Haven, Connecticut

Irondale Senior High School

GPA: 4.5/4.0 | AP CS A, AP Calc BC, AP Statistics, AP Physics C: Mechanics

Sep 2021 – May 2026

New Brighton, Minnesota

Experience

Qonqr

Software Engineer Intern

Jun 2026 – August 2026

Minneapolis, MN

- Modernized the UI of a live cross-platform mobile game spanning 3M+ battle zones across 250+ countries, refactoring panels, popups, and map overlays, by migrating the legacy Xamarin & C# codebase to .NET MAUI
- Improved UI consistency across iOS platforms, aligning components with current framework standards, by rebuilding interface elements in XAML

SPS Commerce

Microsoft Market Team Technical Deployment Intern

Jun 2025 – Aug 2025

Minneapolis, MN

- Enabled global client onboarding by resolving 44 Salesforce support tickets and configuring 5+ new data environments for 20+ clients across 4 continents
- Strengthened cross-team technical workflows and cloud environment management by utilizing Jira, Confluence, Postman, VMWare, and mRemoteNG
- Built foundational cloud and data infrastructure expertise, completing Microsoft Azure Fundamentals coursework, through a 3-day technical bootcamp covering EDI, DEMEDI methodology, and SQL Server Management Studio

FIRST Robotics Competition Team 2052 KnightKrawler

Autonomous Programming Lead & Team Operations Captain

Sep 2023 – May 2026

New Brighton, MN

- Led 51 peers to a 2025 State Championship across 8 competitions and 6 STEM demos, producing 40k+ lines of Java-based autonomous movement & vision code
- Grew female team participation by 15% and standardized onboarding by authoring 53 software and executive training documents as Team Operations Captain

Projects

SafeHaven | 2026 Technovation Minnesota Regional (TMR) Winner

Sep 2025 – May 2026

- Won 1st place @ 2026 TMR, delivering real-time safety insights to travelers and college students by building (with a team of 5) crime trend tracking, live safety alerts, and city safety ratings into a React app project

Recovera | 2025 Technovation Minnesota Regional (TMR) Winner

Sep 2024 – May 2025

- Won 1st place @ 2025 TMR, reducing stress and isolation during patient recovery by building (with a team of 4) a React.js app with appointment / medication trackers, an online forum, and a gamified points system

Bin-Go | Machine Learning, Google Maps API

Dec 2025

- Placed 3rd/50 teams @ STEMPower Hackathon, guiding users to proper waste disposal and nearby donation centers by building a RoboFlow-trained image classification model integrated with Google Maps and OpenStreetMap APIs.

Technical Skills

Languages: Java, C#, TypeScript, SQL, HTML/CSS

Developer Tools: React, .NET MAUI, XAML, Git, Jira, Confluence, Postman, Salesforce

Cloud & Certifications: Microsoft Azure Fundamentals (Linkedin Learning)

Leadership / Activities

HER FIRST

Mentor & Workshop Facilitator

Jun 2025 – Aug 2025

Remote

- Guided 20+ girls across 4+ states through their first 200 lines of code by leading STEM classes twice weekly
- Advanced equity in tech by hosting 2 conferences featuring an MIT speaker and authoring equity-focused blog posts

Technovation

global Student Ambassador

Oct 2025 – Apr 2026

Remote

- Expanded Technovation's reach among young women in tech entrepreneurship by designing new recruitment strategies
